Prague (Czech Republic) - October 26 -29, 2012

Berriasian Working Group 8th meeting Prague (Czech Republic), October 26 -29, 2012

Hosted by the Institute of Geology, the Academy of Science of the Czech Republic, v.v.i., and the Institute of Geology and Palaeontology, Charles University in Prague

Fourth circular

We cordially invite you to participate in a workshop on the Berriasian Stage and the Jurassic-Cretaceous boundary. This 8th meeting will be held from October 26 to October 29, 2012 in Prague (Czech Republic).

This meeting is intended to be multidisciplinary, focusing on precise correlations that contribute to stage and J/K boundary definition. We encourage you to attend and to present your scientific results, to take part in discussion of colleagues' contributions, and to plan future cooperations. We aim to create a constructive atmosphere that will promote scientific exchange and enjoyment during your stay in magical Prague.
