

Dear colleagues, dear friends,

Allow us to invite you to the JURASSICA XIV Conference which should be joined with the Final Workshop of the ICS Berriasian Working Group held in Bratislava, Slovakia at June 10th – 14th, 2019. It will be organized and hosted by the Department of Geology and Palaeontology (Faculty of Sciences of the Comenius University), and by the Institute of Earth Sciences of the Slovak Academy of Sciences. We suppose to discuss wide spectrum of themes including the best placement of the Jurassic/Cretaceous boundary. One-day field trip to the Pieniny Klippen Belt (the Kysuca Gate regional stratotype area in the Western Carpathians) is also planned at the end of the Conference.

To assure preparation of the Conference, we firstly need to know your preliminary interest to participate. Please, confirm your intended participation to email contact: kamil.fekete@gmail.com. The website of the meeting is in progress.

Best wishes and regards

Jozef Michalík and Daniela Reháková and organization team: Jolanta Iwanczuk, Kamil Fekete, Štefan Józsa
